Speed Humps Coming to Spring Island Way

We had enough signatures and Orange County has enough money.

Laura Wilson

Thank you to the Spring Island Way residents who signed the petition to start the neighborhood traffic study. On April 28th, I sent the required number of signatures to District 4 Commissioner Jennifer Thompson and Jason Russo, and to Frank Yokiell in the Orange County Government Public Works Office.

Mr. Yokiell replied on May 9th with good news for Cypress Isles:

“Commissioner Thompson has agreed to use her district funds to fund the speed humps along with the matching funds from Public Works. This means there will be no funding required from the HOA or the property owners.”

“I will be looking at the locations of the speed humps on the street and the next step will be a ballot mailed to the property owners on Spring Island Way to vote on the project. If 66% of the returned ballots are in favor we will install the speed humps. The ballots will be mailed in the next 2 weeks.”

So please remember to vote YES on your ballot when it arrives.

Meeting Calendar
