Water Restrictions

No, they haven't gone away...

We are still under the same Orange County mandatory water restrictions that were implemented in 2008. As a reminder of what that means:

- Water only if necessary and not between 10:00 a.m. and 4:00 p.m.
- Water in accordance with the following irrigation schedule:

| Time of year | Homes with odd-numbered addresses | Homes with even-numbered addresses |
|---|-----------------------------------|------------------------------------|
| Daylight Saving Time March 8, 2020 to October 31, 2020 | Wednesday & Saturday | Thursday & Sunday |
| Standard Time November 1, 2020 to March 14, 2021 | Saturday only | Sunday only |

BOTTOM LINE:

NO WATERING on Monday, Tuesday, and Friday.

NO WATERING between 10:00 a.m. and 4:00 p.m. on your designated day, or ANY day.

Odd numbered houses (house number ends in 1, 3, 5, 7, 9) may water on Saturday all year, and also on Wednesday during Daylight Saving Time (March 8 – October 31, 2020)

Even numbered houses (house number ends in 0, 2, 4, 6, 8) may water on Sunday all year, and also on Thursday during Daylight Saving Time (March 8 – October 31, 2020).

The exceptions to these rules are newly planted sod (30 days); and “watering in” fertilizer or chemicals within 24 hours of application, but still not between 10 a.m. and 4 p.m.

Any questions? Ask the Orange County Water Division at (407) 254-9850, or visit their website at <http://www.occonservewater.net>
