Annual Members Meeting May 18th

The **2021 Annual Members Meeting** will start at **7:00 pm** on **Tuesday May 18th** at the WLCA Community Building, 453 Mark Twain Boulevard. If we get a quorum (47 owners either in person or by proxy) we could have the first board member election since 2008.

We hope to see you at the meeting, but if you can't make it PLEASE fill out the blue proxy and return it by May 17th to the Secretary at 726 Divine Circle.

After the Annual Meeting (if we have one) the regular board meeting will include proposed parking rules for trucks, trailers, watercraft, mobile homes, and storage pods followed by a status report about the 707 Woodbury parcel.

If you have not yet signed up with WLCA, log on to www.mywaterfordlakes.org for eBlasts and access to their website for other community-wide information.

Water Restrictions

No, they haven't gone away...

We are still under the same Orange County mandatory water restrictions that were implemented in 2008. As a reminder of what that means:

- Water only if necessary and not between 10:00 a.m. and 4:00 p.m.
- Water in accordance with the following irrigation schedule:

Time of year	Homes with odd-numbered addresses	Homes with even-numbered addresses
Daylight Saving Time March 14, 2021 to November 7, 2021	Wednesday & Saturday	Thursday & Sunday
Standard Time November 8, 2021 to March 12, 2022	Saturday only	Sunday only

BOTTOM LINE:

NO WATERING on Monday, Tuesday, and Friday.

NO WATERING between 10:00 a.m. and 4:00 p.m. on your designated day, or ANY day.

Odd numbered houses (house number ends in 1, 3, 5, 7, 9) may water on Saturday all year, and also on Wednesday during Daylight Saving Time (March 14 – November 7, 2021)

Even numbered houses (house number ends in 0, 2, 4, 6, 8) may water on Sunday all year, and also on Thursday during Daylight Saving Time (March 14 – November 7, 2021).

The exceptions to these rules are newly planted sod (30 days); and “watering in” fertilizer or chemicals within 24 hours of application, but still not between 10 a.m. and 4 p.m.

Any questions? Ask the Orange County Water Division at (407) 254-9850, or visit their website at <http://www.occonservewater.net>

Talkin' Trash

If you have a damaged garbage or recycling roll cart, call Orange County Utilities Solid Waste for a replacement: **Solid Waste Hotline:** (407) 836-6601. They will instruct you to place your damaged can at the curb for pickup and replacement.

I recently offered this suggestion to a neighbor with this situation, and I will share with y'all: If you put a note on your damaged cart saying that it is damaged and waiting for pickup, this will let management know that you are not disregarding the Orange County (& HOA) rule that cans must be removed from the curb within 12 hours after pickup. Our neighbor did this and avoided a violation letter when property inspections were done. It will also alert well-meaning helpful neighbors NOT to roll your cart back up to your house for you!
